

BRIAN MCTAVISH

Brian McTavish, a lifelong congregant and member of Salem United Methodist Church in WestDecatur, Pennsylvania, has served many roles over his lifetime. From Sunday School child to Head of Trustees, Brian has followed his love of God & Jesus Christ into Lay Ministry. For 15 years, Brian has served as Lay Speaker for the Susquehanna United Methodist Conference as well as attending Susquehanna Annual Conference as lay representative of the Salem/Spring Valley Charge. In his professional life, he has also let God lead the way, as a Teacher at Clearfield Alliance Christian School for the last 20 years. The many ministers and leaders of Salem U. M. Church are the reason he chose to pursue the freedom to teach in a setting like the Christian School. Brian is also the owner/operator of McTavish's God Speed Detailing, a car cleaning & detailing business he started 12 years ago. He plays an active role in the local meeting of the Gideon's International spreading the Gospel throughout the Clearfield Area.

In 1999, Brian married the love of his life, Rebecca Edwards McTavish, who he met through the Clearfield Youth Fellowship Cluster as teenagers. Becky is a public librarian, a former member of Trinity United Methodist Church in Clearfield, and a current member of Salem United Methodist Church. She has spent her life serving her churches through Choir, Music performance, Church Camp Ambassador & on the Pastor Parish Committees of both churches. They reside in Clearfield with their Basketball & Art Loving daughter, Emily, and their Soap Box Derby Racer son, Cameron.

In their spare time, the McTavish Family enjoys Camping, building model trains & race cars, playing games and spending time with their dogs, Miley & Oreo. We look forward, as a family, to helping our Churches remain relevant, connected, and blessed by God.
